

Video Storyboard

Shot #1

A graphic intro will open the advert, establishing a professional racing theme before any car footage appears. The music begins as a low building rock track to create anticipation.

Action / Dialogue / Description

Shot #2

The car is shown driving along the starting line. A text graphic goes across the bottom of the screen displaying the slogan "Continental Speed, Racing for Our Environment" to reinforce the sustainability message from the start.

Action / Dialogue / Description

Shot #3

The car continues along the track. The lower third graphic returns sliding across the bottom now displaying the race location "Spa-Francorchamps Circuit, Stavelot, Belgium" keeping the viewer informed of the location.

Action / Dialogue / Description

Shot #4

A front facing view of the car taking a corner. The full front of the Bentley is clearly visible to the viewer, showing speed and the competitive nature of the race.

Action / Dialogue / Description

Shot #5

The car is shown driving amongst other competitors along a straight section of the track, bringing more of the sense of competition and increasing the pace and energy of the advert increasing excitement.

Action / Dialogue / Description

Shot #6

A rear view shot from behind another car with the Bentley approaching. The clip is zoomed in so the full livery clearly visible as the car closes in. This will show the sustainable development messages very clearly especially on the hood of the car.

Action / Dialogue / Description

Shot #7

A elevated angle will show multiple cars racing around a corner together, showing the viewers the atmosphere of the race and again the sense of competition.

Action / Dialogue / Description

Shot #8

The car is shown in the pitstops from a side angle during a tyre change, this will provide a clear view of the complete livery design from a great angle

Action / Dialogue / Description

Shot #9

The car drives closer to the finish line with text reading "Racing for a Cleaner Ocean" on screen with the race footage visible through the letters. It will then transition into black before going into scrolling credits as the music calms down to a close.
